

We asked the boys, "If our group is going to work properly so people feel cared for and we can all learn about God and have fun, what needs to happen?" Below is what they came up with. Each group member has signed the group deal including the leaders.

SMALL GROUP DEAL!

Respect different views and opinions

What is shared in the group, stays in the group

1 person talking at a time

Each person will do their best to attend each week

Let Stephen know if you will be away

Encourage each other

Take risks in living for Jesus

Take care of each others feelings

Each group member is responsible to hold other members accountable to our group deal
