Recap on last week (DVD, Nooma, 'Dust'), 'Good really believes in us and calls us to be His disciples'

Read: Matthew 4:18-22

Reflection: Where are you? Still fishing, cleaning your nets? Started to follow Jesus but turned back? Left your nets but are following at a distance? Right up there with Him? Maybe you are close to Him, but not sure what the next step is?

Share: Ask young people to share their response to the above questions. Let them know that this is optional.

State: Jesus came to reveal God to us, show us how to live, bless us with eternal life and to have life in all its fullness.

Encourage young people to continue to reflect over the week where they are in their relationship with Jesus and that it is a life long journey.
